

## Mission Statement Review Taskforce – Draft Mission Statement

To guide, inspire and support actuaries to help business and society be more resilient to future uncertain events through insight and influence.

This is achieved by providing education, standards, representation and thought leadership.

## Current Actuaries Institute Mission Statement

- To support the professional and career aspirations of its members: To provide or arrange effective pre-qualification education and valued and inclusive continuing professional development programs and forums
- To promote research and the development of actuarial science and support the expansion of the profession into new areas of endeavour
- To provide practice guidance to help actuaries provide professional services of high quality and to maintain and enforce sound professional standards to protect the public and the reputation of the profession
- To represent the profession in Australia, and develop and promote the actuarial profession's value, including contributing to and informing debate on public policy and business issues
- To meet member service needs and expectations, including efficient Secretariat operation and financing, and provide valued member communications
