

# Flood Resilience:

## Risks, Mitigation and Funding Solutions

Institute of Actuaries of Australia

HERITAGE BALLROOM, WESTIN HOTEL, SYDNEY

Monday, 16 May 2011

## 10 Point Plan to Tackle Disasters

### Objectives of the plan are:

1. Standard definition for flood
2. Improved disclosure
3. Provision of adequate flood data
4. Removal of insurance taxes
5. Improved land-use planning
6. Improve building standards
7. Improve community infrastructure
8. Education and financial literacy campaign
9. Measure effectiveness of disaster relief payments
10. Better advice to consumers
